March 2011

Dear Member

You are aware that The Pembury Society has commissioned an ornamental Village Sign and this is due to be erected on the Village Green in the next week or two.

The official unveiling will be on Saturday 9th April at 11 am, when you are invited to join the committee, local dignitaries and friends of the Society at the event.

There will be no Spring Meeting this year in April as, in its place, we are celebrating this achievement of the Society.

I look forward to seeing you on the Green on 9th April at 11am.

With kind regards

Ken Watts
Chairman, The Pembury Society
